AUDIO VISUAL CATALOGUE

When success is measured by your ability to connect, DThree will relay your message flawlessly. As the exclusive on-site provider for The Benson, our venue-specific expertise and state-of-the-art equipment leave nothing to chance.

Through the shift from traditional in-person event formats to entirely virtual gatherings, and now to the hybrid approach we currently enjoy, we've been on the job. Our vast experience with ultra-high-definition video and the latest digital meeting technology allows us to reliably deliver a tailored version of an event to on-site and off-site audience, maintaining engagement in both settings while staying on-message and on-brand.

Our services include the largest selection of event technology and expert support delivered by our consummately professional audio visual specialists. Let our team manage the most critical aspects of your meeting, by delivering clear and powerful sound, sharp graphics, and seamless transitions.

We've streamlined the ordering process for equipment and services by providing package options refined over thousands of corporate, association, and entertainment events at The Benson. Leverage our experience with the hotel's meeting and convention spaces to eliminate the guesswork and bring your vision to life efficiently and within your budget.

Browse our offerings and select your package(s) without commitment. Not sure of the best fit? Curious about customizations? Our audio visual specialists are here to guide you through the process.
